What is a Hawksley build? Hawksley/Schindler houses have been built all over the UK after the second world war by A W Hawksley of Gloucester, they have a brick facing which gives the impression of a traditional build house. Hawksley houses were constructed of prefabricated reinforced concrete (PRC) beams with a brick outer skin.

The property is a Hawksley Build which some mortgage lenders wont work with. Please therefore speak to your adviser before we can book a viewing.
